

Flooding : Thailand

Natural Odor Control Product

Bacterial Wastewater Treatment product.

**Only 12 Hours
to Cleaner Water!**

EmTec SC Fizzy Tabs eliminate odor from the flood water, and helps clean the wastewater within 12 hours. EmTec SC Fizzy Tabs are high-quality biological products, easy to use, store, and are safe for the environment.

Application – EmTec SC

Mix 1 EmTec SC Fizzy Tab with 1 bucket of flood water. Use 1 Tab per room area. For best results, use a sprayer and spray the water. If a sprayer is not available, use a bucket. Splash over the area, distribute to the largest surface area as possible, the bacteria will spread for quick and better odor elimination.

Benefits of Use

Odor reduced within 12 hours.

Black colored flood water is clearer, and wastewater cleaning starts.

Reduce BOD, COD, SS and increase dissolved oxygen.

**Amazing
Results!**
